### One Call Now!

The South Kortright Central School District subscribes to the "One Call Now!" notification system. "One Call Now!" enables us to notify our Parents, Students, Personnel, and others affiliated with our school by phone and e-mail regarding:

*School Closings and Delays, Emergency Situations, Special Events, and Virtually any Important School Related Information*

*Parents, Students, Teachers:* if you have a change of contact information to report, or you are not currently in the system and would like to be, please contact the Main Office.

*School Related Groups:* if you would like to use the "One Call Now!" system to notify our school community of an event, please contact the Main Office.

**SKCS Website** <http://skcs.org/>

South Kortright Central School provides web access to school related information such as school policies, news letters, calendar events, postings and legal documents on our web site at <http://skcs.org/>.

**Student information** can be accessed online through a web based administrative software system known as *Power School*. *Power School* provides a safe and easy way for you to view information on your child (ren)'s classes. Once you have activated your account, you can use *Power School* to access your child(ren)'s grades, attendance, and other useful information, *Power School* enables us to provide you with more current data in addition to the 5 week and Quarterly Reports that we have been printing and mailing home, at a great savings to the school.

If you would like to set up your account, please call John Bonhotal and he will gladly help you with this process.
